Realise

Energy Services

Realise Energy Services has an enviable track record of providing reliable, class leading wind solutions for its clients. To address the market conditions, we have partnered with the world's leading preowned wind turbine providers to extend our portfolio of wind turbine solutions.

We can offer clients a range of cost effective yet high quality pre-owned wind turbines originally manufactured by Vestas.

Realise can offer a range of pre-owned Vestas turbines to suit customer requirements.

Turbines can operate at their original capacity or, in some cases, be de-rated to suit site-specific requirements.

A range of tower sizes are available for each model.

Models available are:

V27, V29, V39, V42, V44, V47, V52, V66, V80

Realise Energy Services:

- Operation and Maintenance
- Monitoring and control
- Major Component Repairs and Replacement
- Retrofits and Upgrades
